

SITE SUPERINTENDENT

Location: Arnprior, Ontario

Start Date: December 1, 2025

Company: Orr Developments Inc.

About Us:

Orr Developments Inc. is a locally owned and operated general contracting company specializing in residential and commercial renovations, new builds, and multi-unit developments across the Ottawa Valley. Our team takes pride in delivering high-quality workmanship, efficient project management, and strong relationships with clients and trades alike. We are now seeking a **Site Superintendent** to join our team for an upcoming mid-sized apartment complex project in Arnprior, Ontario.

Position Overview:

The successful candidate will play a key role in the daily site operations of this multi-storey apartment development. You will work directly with company leadership to manage schedules, coordinate trades, ensure site safety and quality, and help drive the project to successful completion.

Responsibilities:

- Oversee and coordinate daily site activities and subtrades
- Develop, monitor, and adjust project schedules
- Ensure all work meets quality standards, building codes, and safety requirements
- Troubleshoot issues efficiently and proactively
- Communicate regularly with management, engineers, and inspectors
- Manage deliveries, materials, and equipment on site
- Perform or assist with construction tasks when required
- Maintain organized project documentation and site logs

Qualifications:

- Previous experience as a Site Superintendent or in construction management (multi-unit or commercial experience preferred)
- Strong organizational, scheduling, and leadership skills
- Ability to think critically and solve on-site challenges quickly
- Excellent communication skills with trades, suppliers, and management
- Comfortable working in a fast-paced, hands-on environment
- Valid driver's license and reliable transportation required

Compensation:

- Hours: 44–50 hours per week
- Compensation: Extremely competitive and based on experience
- Opportunities for long-term growth within the company

How to Apply:

If you're ready to take the next step in your construction career with a company that values quality, integrity, and teamwork, we'd love to hear from you.
